Certification Notes: N/A

Next course recommendation: N/A

Refund Policy: Please refer to www.collin.edu/ce/inforegistrar.html for our refund policy. No refunds after the start time of the first class.

Americans with Disabilities Act: Collin College will adhere to all applicable federal, state and local laws, regulations and guidelines with respect to providing reasonable accommodations as required to afford equal opportunity. It is the student’s responsibility to contact the ACCESS office, SCC-D140 or 972.881.5898 (V/TTD: 972.881.5950) to arrange for appropriate accommodations. See the current Collin Student Handbook for additional information.

Course Sessions: Listed are guidelines to indicate all topics that will be covered during your course. Do not plan your personal calendar based on these sessions. Your instructor will give you a calendar for your class that will indicate specific topics, assignments, and days.

Lesson Plan – by week or session:
Session 1: Chapter 1- Instrument training, human factors
Session 2: Chapter 2- Instrument Systems Attitude Instrument Flying
Session 3: Chapter 2- Attitude Instrument Flying continued Instrument Navigation
Session 4: Chapter 3- Air Traffic Control System Airspace ATC clearances
Session 5: Chapter 9- Meteorology Weather Factors, Weather Hazards
Session 6:  Chapter 9- Meteorology Printed weather products
Session 7:  Chapter 9- Meteorology Graphic weather products, Internet weather sources
Session 8:  Chapter 4- Instrument Departure Procedures
Session 9:  Chapter 5- En-route IFR charts and procedures Holding Patterns.
Session 10: Chapter 6- Arrival Charts and Procedures
Session 11: Chapter 7- Instrument approach charts and procedures
Session 12: Chapter 8- Instrument Approaches
Session 13: Chapter 10- Instrument Flight Considerations
Session 14: Field trip- If possible (depends on Homeland Security Alert Level)
Session 15: Federal Aviation Regulations Review for final exam
Session 16: Final Exam

Method of Evaluation: Unless otherwise stated, course completion is evaluated on the basis of attendance. Students must be in attendance 90% of each course in a certificate series for successful completion and to earn a certificate as specified.
