Math 1314.WS1
Lab Assignments

For each Lab, a section, examples, and a practice lab will be provided. Read over the examples and work the practice lab as many times as you need. The practice labs are in option 4 after choosing START HOMEWORK, the chapter and section. If the lab involves more than one section, the practice lab will be in all. The Labs are in Quizzes and Exams. Lab problems will be similar to the practice lab. You may work each lab problem twice. The due dates are on the Course Calendar. They are due two days after each exam due date, except lab 4 which is due on the final exam date.
