Course Title: 2-D Design I

Course web page: http://www.collin.edu/ce/courses/2d_design.html

Course Description:
This is a study of the Principles and Elements of Design as used throughout both applied and creative arts. The elements refer to the tools, and the principles are how the tools are used. The study of two-dimensional design as used in picture making, space planning, quilt, rug or fabric design; and any other planning using flat surfaces. The Principles and Elements of Design will be covered and applied to assignments assigned by instructor. Each week a new aspect of the design process will be executed.

Suggested Course Prerequisite(s): Some drawing skills

Materials Needed: Please have all pencils sharpened before coming to class!

Course Objectives:
1. An in depth look at the Principles and Elements of Design
2. Participate in exercises in basic design that will evolve and be used in subsequent classes
3. Color theory to be added at the appropriate time as class progresses
4. Separate projects to be assigned each week and done at home – brought to class following week for critique by instructor.
5. Must be proficient in drawing and painting (no oil paints)

Certification Notes: Not a certificate course

Next course recommendation:

Instructor Notes: Students must be proficient in drawing and painting with no oils allowed. There will be no computer work and all ideas must be original.

Textbook(s):

Lesson Plan – by week or session
1. An in depth look at the Principles and Elements of Design
2. Participate in exercises in basic design that will evolve and be used in subsequent classes
3. Color theory to be added at the appropriate time as class progresses
4. Separate projects to be assigned each week and done at home – brought to class following week for critique by instructor.

5. Must be proficient in drawing and painting (no oil paints)

Course Sessions: listed are a guideline to indicate all topics that will be covered during your course. Do not plan your personal calendar based on these sessions. Your instructor will give you a calendar for your class that will indicate specific topics, assignments, and days.

Method of Evaluation: Unless otherwise stated, course completion is evaluated on the basis of attendance. Students must be in attendance 90% of the class time in order to be considered a successful completer of the course.

Students must be in attendance 90% of each course in a certificate series for successful completion and to earn a certificate as specified.

Students must complete all courses (core and no. of elective courses needed) to complete a certificate series within two years from start date of the first course taken.

Americans with Disabilities Act: Collin College will adhere to all applicable federal, state and local laws, regulations and guidelines with respect to providing reasonable accommodations as required to afford equal opportunity. It is the student’s responsibility to contact the ACCESS office, SCC-G200 or 972.881.5898 (V/TTD: 972.881.5950) to arrange for appropriate accommodations. See the current Collin Student Handbook for additional information.
