Course Title: 2-D Design II

Course Description: A continuation of the concepts addressed in 2-D Design I, which is a prerequisite to this class. The Principles and Elements of Design will be briefly reviewed as well as color theory. Class will follow same format as Design I with new assignments each week to completed and returned to class the following week for critique. Projects will be increasingly thoughtful and detailed.

Hours: 21 hours            Sessions: 7

Course Prerequisite(s): Some drawing skills, 2-D Design I

Instructor Notes: Students must be proficient in drawing and painting with no oils allowed. There will be no computer work and all ideas must be original.

Course Objectives:
1. Accomplish progression from work done in Design I
2. Subsequent work will evolve with more detail and/or complicated designs
3. Work may involve issues of current interest or interests of the public
4. Work from Design I may be re-evaluated to advance the students’ design capabilities

Course Sessions: listed are a guideline to indicate all topics that will be covered during your course. Do not plan your personal calendar based on these sessions. Your instructor will give you a calendar for your class that will indicate specific topics, assignments, and days.

Method of Evaluation: Unless otherwise stated, course completion is evaluated on the basis of attendance. Students must be in attendance 90% of the class time in order to be considered a successful completer of the course.

Students must be in attendance 90% of each course in a certificate series for successful completion and to earn a certificate as specified.

Students must complete all courses (core and no. of elective courses needed) to complete a certificate series within two years from start date of the first course taken.

Americans with Disabilities Act: Collin College will adhere to all applicable federal, state and local laws, regulations and guidelines with respect to providing reasonable accommodations as required to afford equal opportunity. It is the student’s responsibility to contact the ACCESS office, SCC-G200 or 972.881.5898 (V/TTD: 972.881.5950) to arrange for appropriate accommodations.
