Course Title: Drawing I

Instructor: Nora Dorfer

Course web page: http://www.collin.edu/ce/courses/drawingI.html

Course Description:
You will learn to observe, analyze, and replicate forms using line, light and shade, translating to more intricate forms as well as fluid forms. Also covered are relationships and proportions in arrangements.

Suggested Course Prerequisite(s):

Materials Needed:

Course Objectives:
1. Enhancing powers of observation
2. Understanding importance of values: light and shade
3. Realistic rendering of subject matter

Certification Notes: Not a certificate course

Next course recommendation:

Instructor Notes:

Textbook(s):

Lesson Plan – by week or session
Session 1: Discussion of materials, line definition, value scales, replication of basic form
Session 2: Extended or combinations of form in everyday items grouped together for relationships
Session 3: Practice of replicating fluid form with a minimum of four different drapes
Session 4: Working with glass, learning reflections, transparencies, distortion, light and shadows
Session 5: Practice of observing natural foliage: leaves, pods, grasses, flowers, etc.
Session 6: Replicating full page rendering of related items combining all basic or extended basic forms
Session 7: Interior scene with chair, table, lamp, books, throws, plants, etc., to resemble reading area in home

Evaluations
Course Sessions: listed are a guideline to indicate all topics that will be covered during your course. Do not plan your personal calendar based on these sessions. Your instructor will give you a calendar for your class that will indicate specific topics, assignments, and days.

Method of Evaluation: Unless otherwise stated, course completion is evaluated on the basis of attendance. Students must be in attendance 90% of the class time in order to be considered a successful completer of the course.

Students must be in attendance 90% of each course in a certificate series for successful completion and to earn a certificate as specified.

Students must complete all courses (core and no. of elective courses needed) to complete a certificate series within two years from start date of the first course taken.

Americans with Disabilities Act: Collin College will adhere to all applicable federal, state and local laws, regulations and guidelines with respect to providing reasonable accommodations as required to afford equal opportunity. It is the student’s responsibility to contact the ACCESS office, SCC-G200 or 972.881.5898 (V/TTD: 972.881.5950) to arrange for appropriate accommodations. See the current Collin Student Handbook for additional information.
