Course Title: Registered Dental Assistant Course and Examination

Course Number: XHLT 3230

Course Description: This course is designed to help prepare the Dental Assistant for the Texas Infection Control, Jurisprudence and Radiology Examinations required by the TSBDE. The student will learn the CDC infection control standards, waste management, and techniques to prevent cross contamination. Licensing, relevant legal terminology, ethics and Radiology techniques will also be taught. Included in the course is a TSBDE approved examination.

Hours: 8

Course Prerequisite(s): Completion of a Dental Assisting Program or Dental assisting for 6 months

Student Learning Outcomes:
1. Gain an understanding of Infection Control, Jurisprudence, and Radiology
2. Prepare to take the State exam required for Dental Assistants to become a Registered Dental Assistant (RDA).

Textbook:
Materials available in class
