Course Title: Administrative Office Procedures

Course web page: http://www.collin.edu/ce/courses/admin_office_proc.html

Course Description: Review the history and role of the Executive Administrative Assistant. Learn practical applications of basic communication and organizational skills with an emphasis on the fundamentals of business writing, effective time management, and creating meeting arrangements as well as critical thinking skills for day to day business operations.

Suggested Course Prerequisite(s): Familiarity with the internet and basic office structure.

Course Objectives:

1. Apply basic communication and organizational skills in a business office.
2. Display the fundamentals of writing, time management, travel and meeting arrangements and critical thinking skills for day to day business operations. Implement planning and organization techniques, office ethics and dress code.
