Extra Credit Class Work
(10 points)

Purpose of the Extra Credit Work
This work allows you to supplement your understanding of the class material. You may only do one extra credit paper!!

You have several options:

1. Go to a school sponsored event. I will announce these in class. You may not do an event that I have not approved of. If you attend one of the Auteur film series films, you must write about the film and the discussion following it.

2. Read one of the EReserves listed on my website.

Content and Form
After going to the event, you will write a two page paper discussing what you heard, saw, or read and how it impacted you. What did you learn from it? What were the most engaging aspects of the event/reading? How did it relate to the class material? As always, please double space your paper, use clear organization and good grammar, and cite any outside sources besides the reading itself. Any work suspected of plagiarism will receive an automatic 0 and could incur disciplinary action.

Due Date
Final Class Date. NO LATE WORK TAKEN!
